A photograph of a dense forest floor covered in vibrant green moss. Several tall, thin trees stand in the foreground and middle ground. In the background, a body of water reflects the surrounding greenery, and more trees with pinkish-red flowers are visible.

Leadership
considered
harmful...

A photograph of a dog sled team in motion through a snowy landscape. Five dogs are visible, harnessed in pairs. The lead dog is white with dark markings, followed by two dark-colored dogs, another white dog, and a light-colored dog at the rear. A musher wearing a blue and yellow parka is partially visible on the left, holding the reins. The background is a dense forest of evergreen trees.

The Leader
begets
the Follower

A photograph of a flock of white sheep in a green pasture. A wire fence runs across the middle ground. In the foreground, a large, light-colored dog, possibly a Golden Retriever, stands behind the fence, looking towards the right. The background is filled with more sheep and some pine trees.

Vulnerable

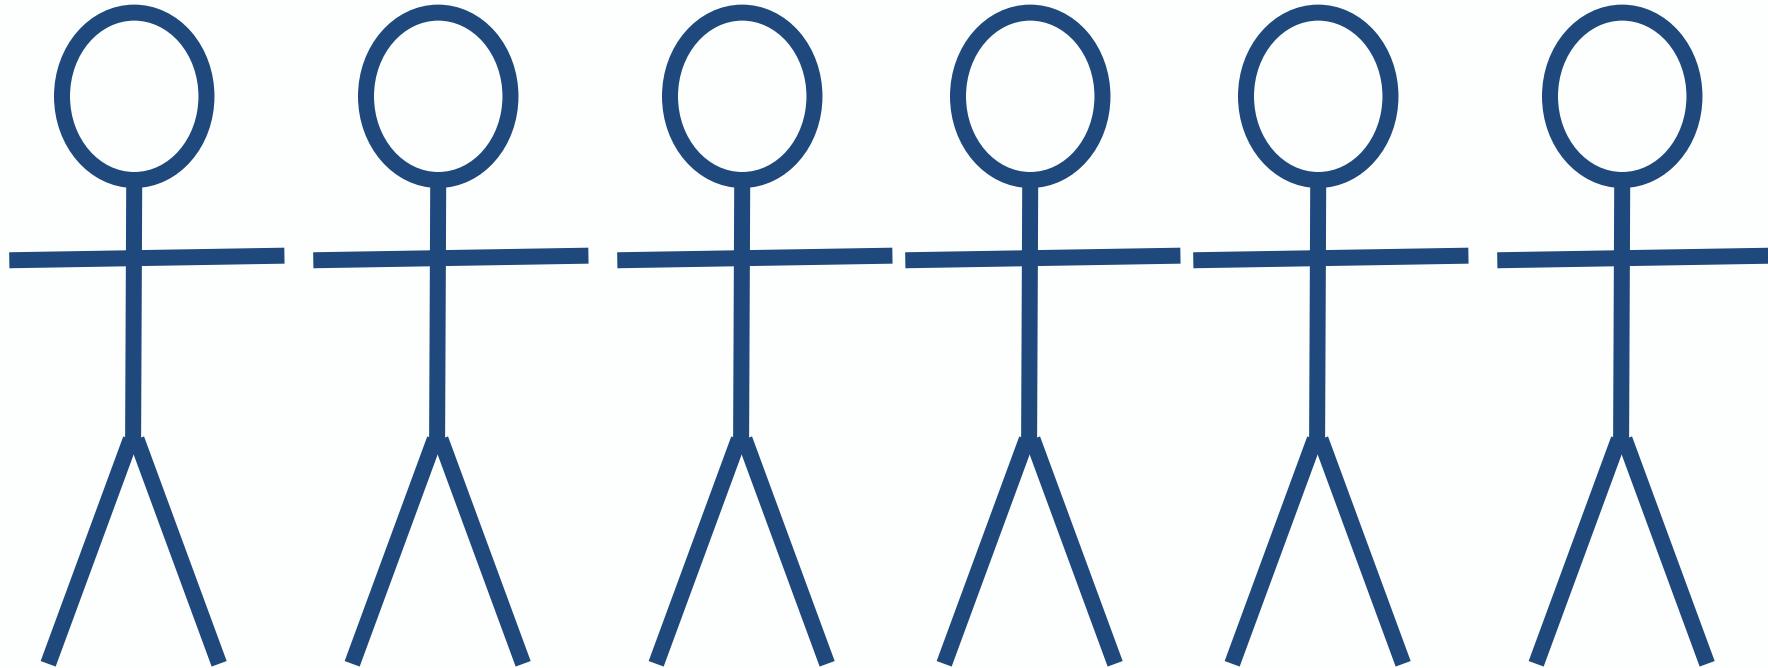

A large flock of small, dark birds is shown in flight, filling the upper half of the frame. They are scattered across a clear blue sky. In the lower half of the image, there is a solid gray rectangular area containing the text.

More is
Different !

A photograph of a serene forest scene. In the foreground, the ground is covered in a thick layer of vibrant green moss. A small, dark pond or stream flows through the center-left. Several tall trees with dark trunks stand in the background, their branches reaching over the water. The surrounding foliage is a mix of bright green and yellow leaves, suggesting a spring or summer setting.

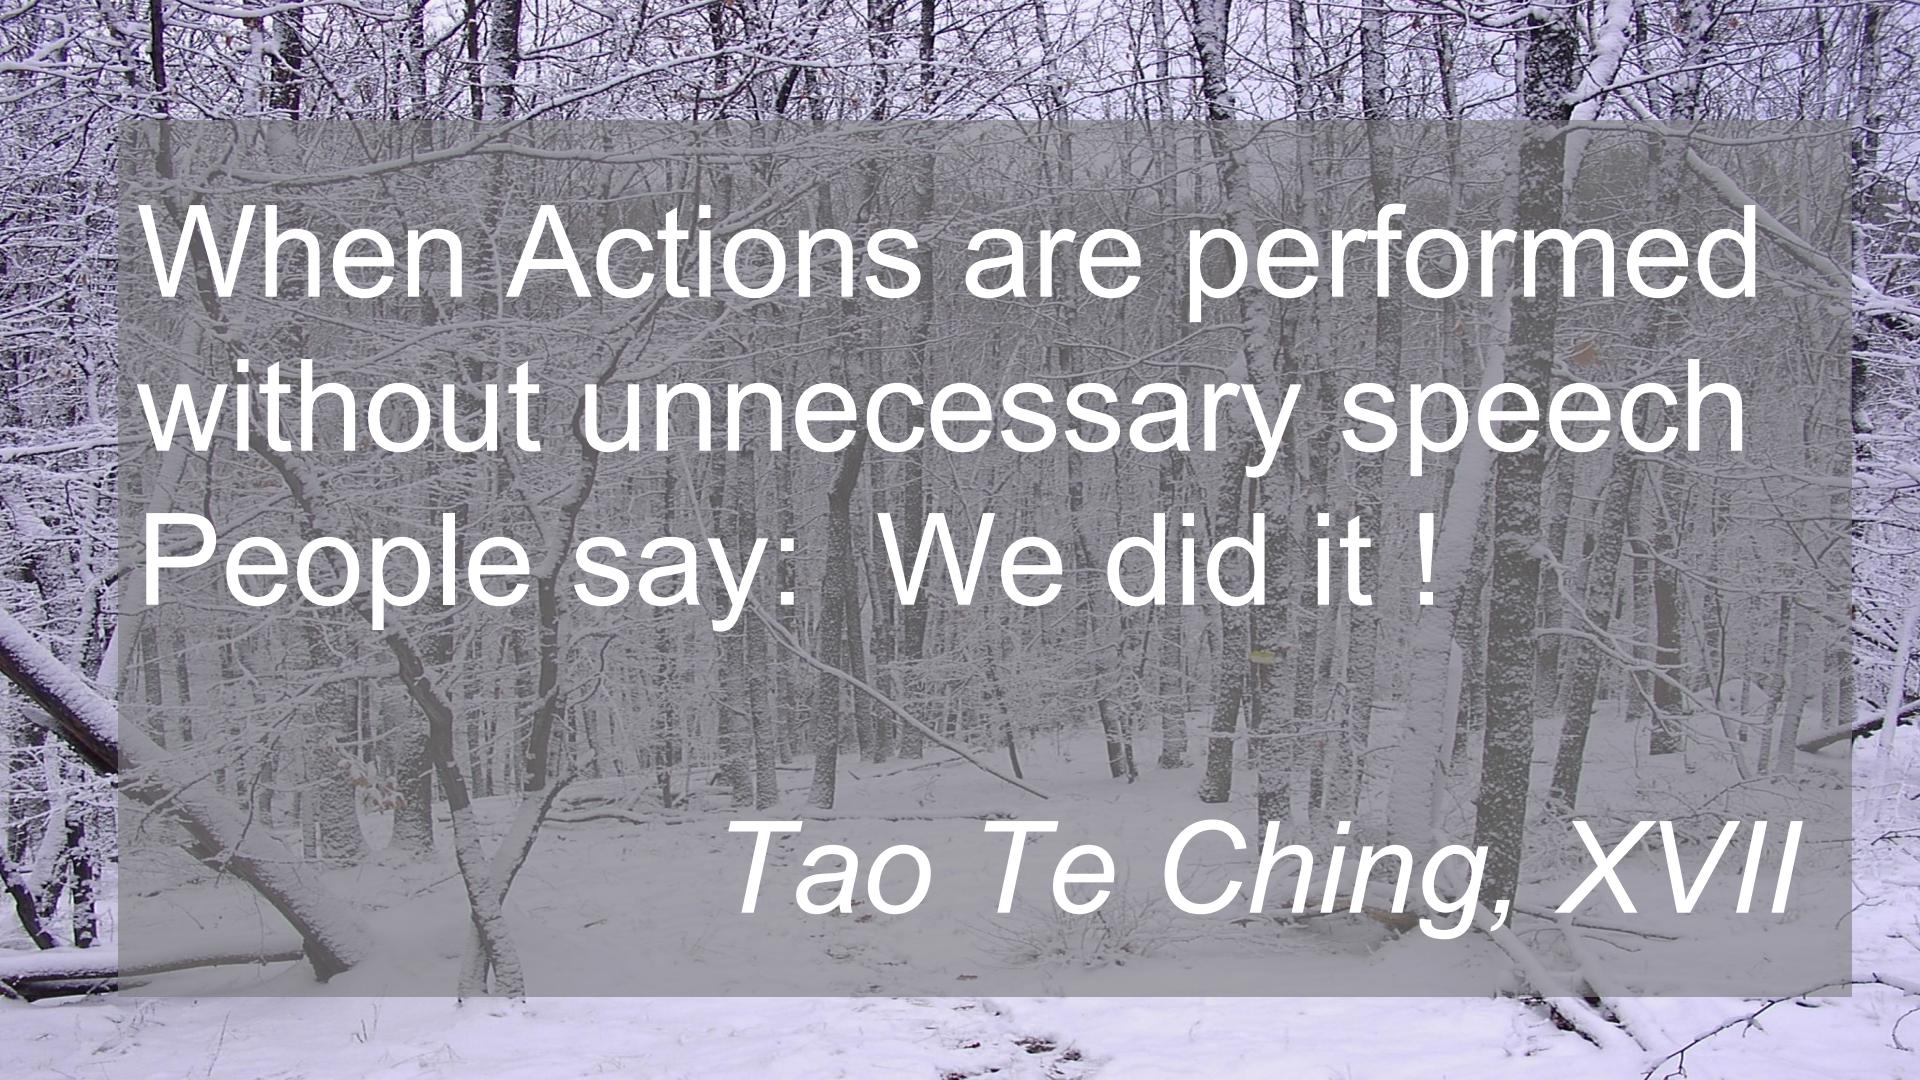

Awakening...

A wide-angle photograph of a forested hillside. The foreground is a bright green grassy field. The middle ground is filled with a dense forest of dark green coniferous trees. The background is heavily shrouded in thick, grey fog, obscuring the top of the hill and creating a sense of depth.

The most skilled...

A photograph of a dense forest covered in fog. In the foreground, there is a bright green grassy field. The forest consists of many tall, dark evergreen trees. The sky above the trees is a uniform, light gray, suggesting a thick layer of fog or mist.

is barely
known by men

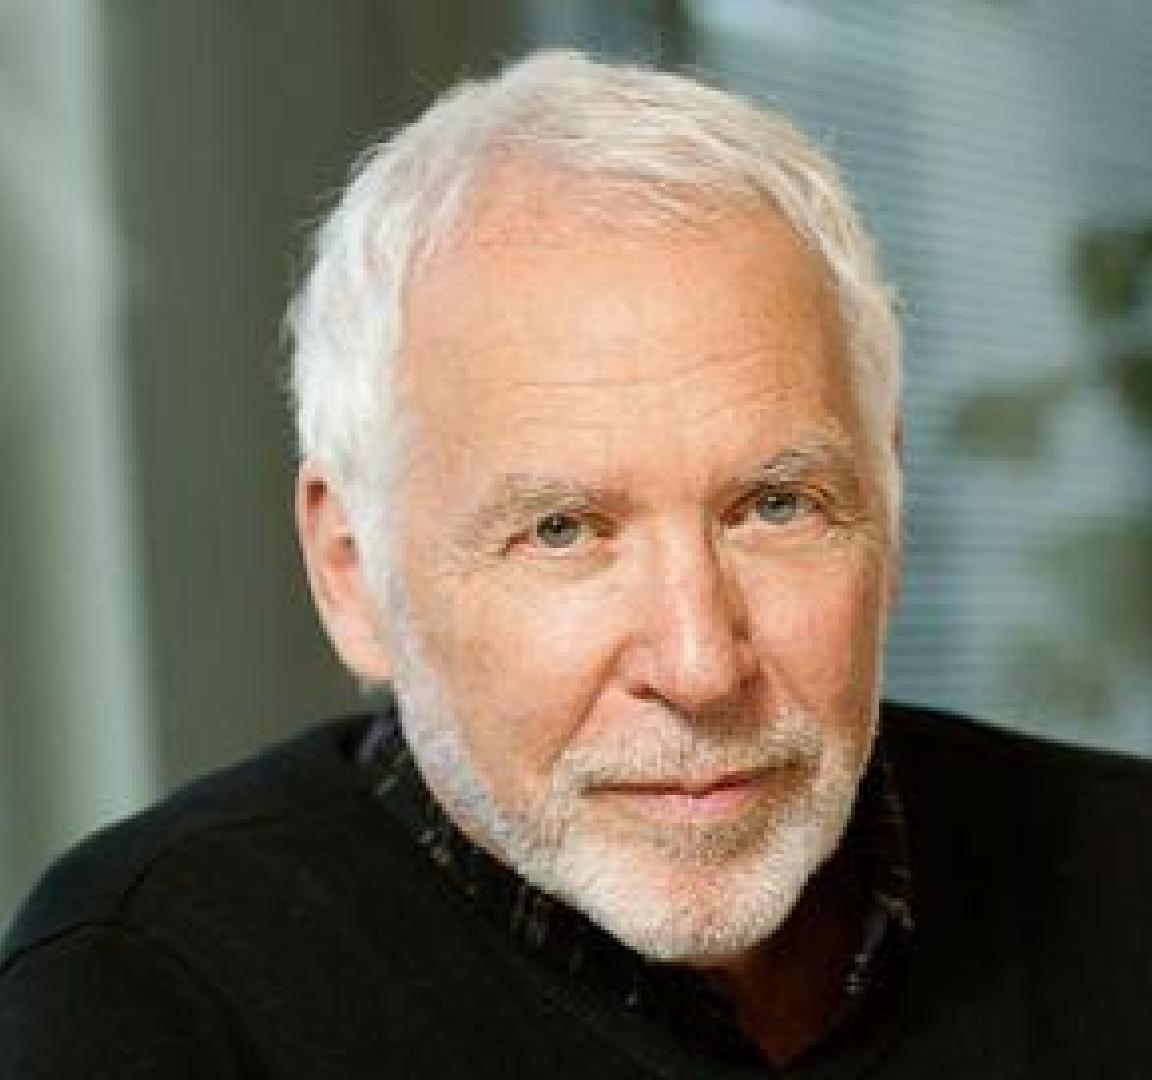

A photograph of a winter forest. The ground and branches of the trees are heavily covered in a thick layer of white snow. The trees are tall and thin, their bare branches reaching upwards. The overall atmosphere is quiet and serene.

Tao Te Ching, XVII

A close-up photograph showing a massive colony of dark-colored ants swarming over a piece of yellow fruit, likely a banana or orange. The ants are densely packed on the fruit, with many more visible in the background and foreground, creating a sense of overwhelming numbers and collective effort.

Unlead

Unstoppable

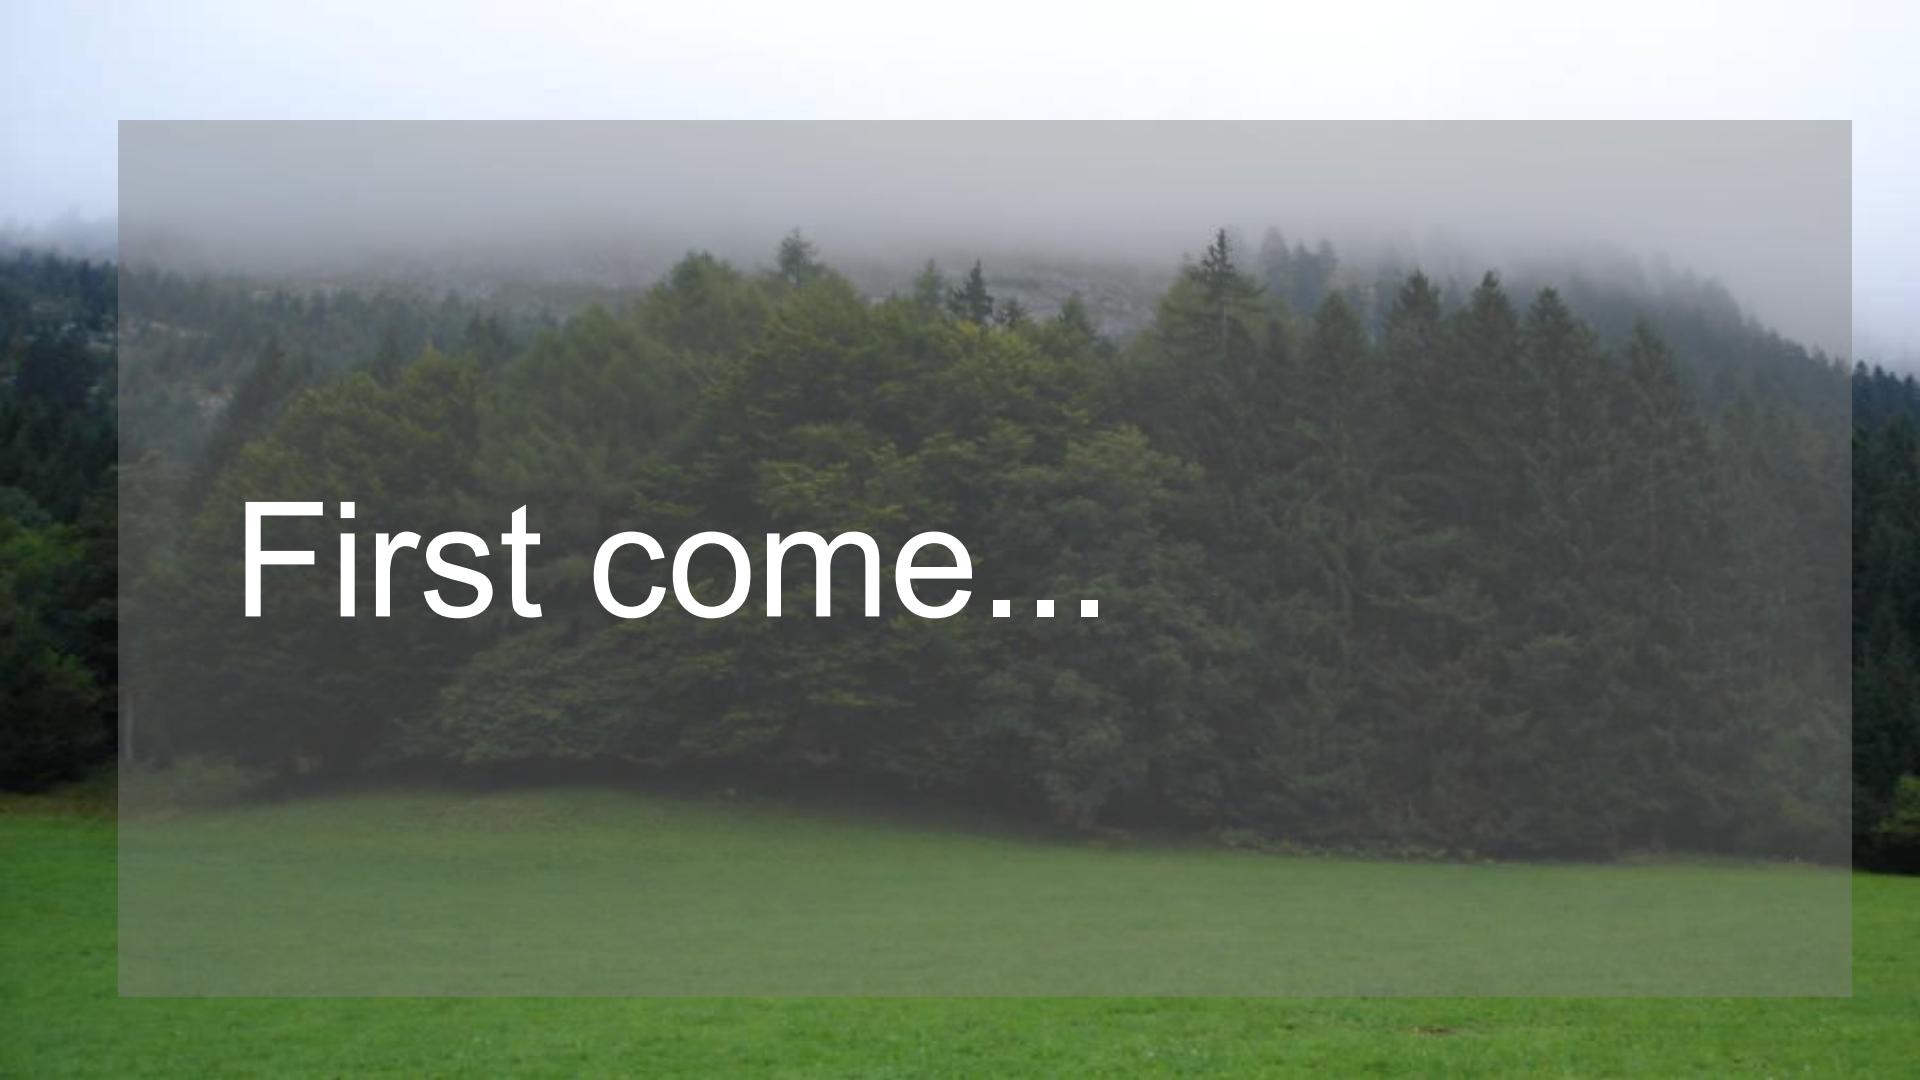

A close-up portrait of an elderly man with white hair and a full white beard. He has a gentle expression and is looking slightly to the right of the camera. He is wearing a dark, possibly black, collared shirt. The background is blurred, showing what might be a window or a door.

Unleadership

A wide-angle photograph of a forested hillside. The foreground is a bright green grassy field. The middle ground is filled with a dense forest of dark green coniferous trees. In the background, the hill rises higher, with more trees and a thick layer of low-hanging fog or mist covering the top of the hill.

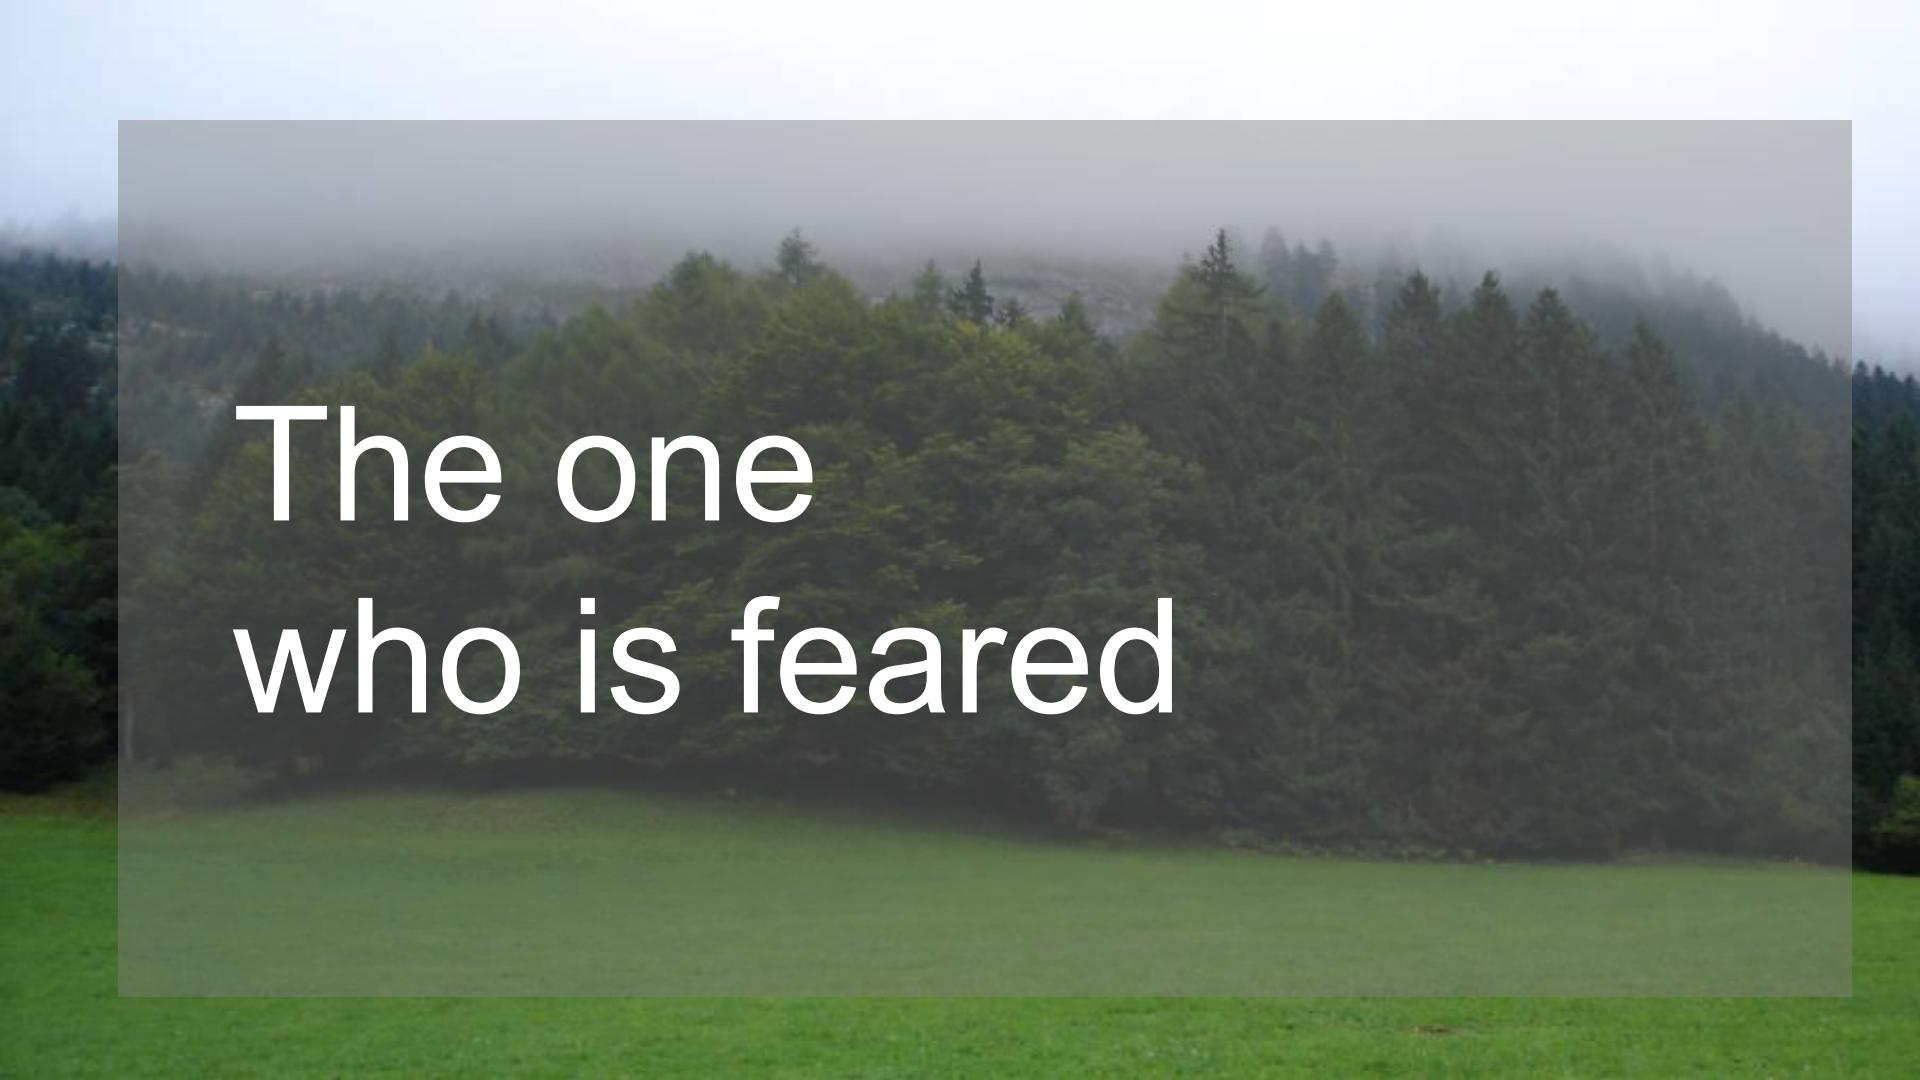

The Master...

A wide-angle photograph of a forested hillside. The foreground is a bright green grassy field. The middle ground is filled with a dense forest of dark green coniferous trees. The background is heavily shrouded in thick, grey fog, obscuring the top of the hill and creating a sense of depth and mystery.

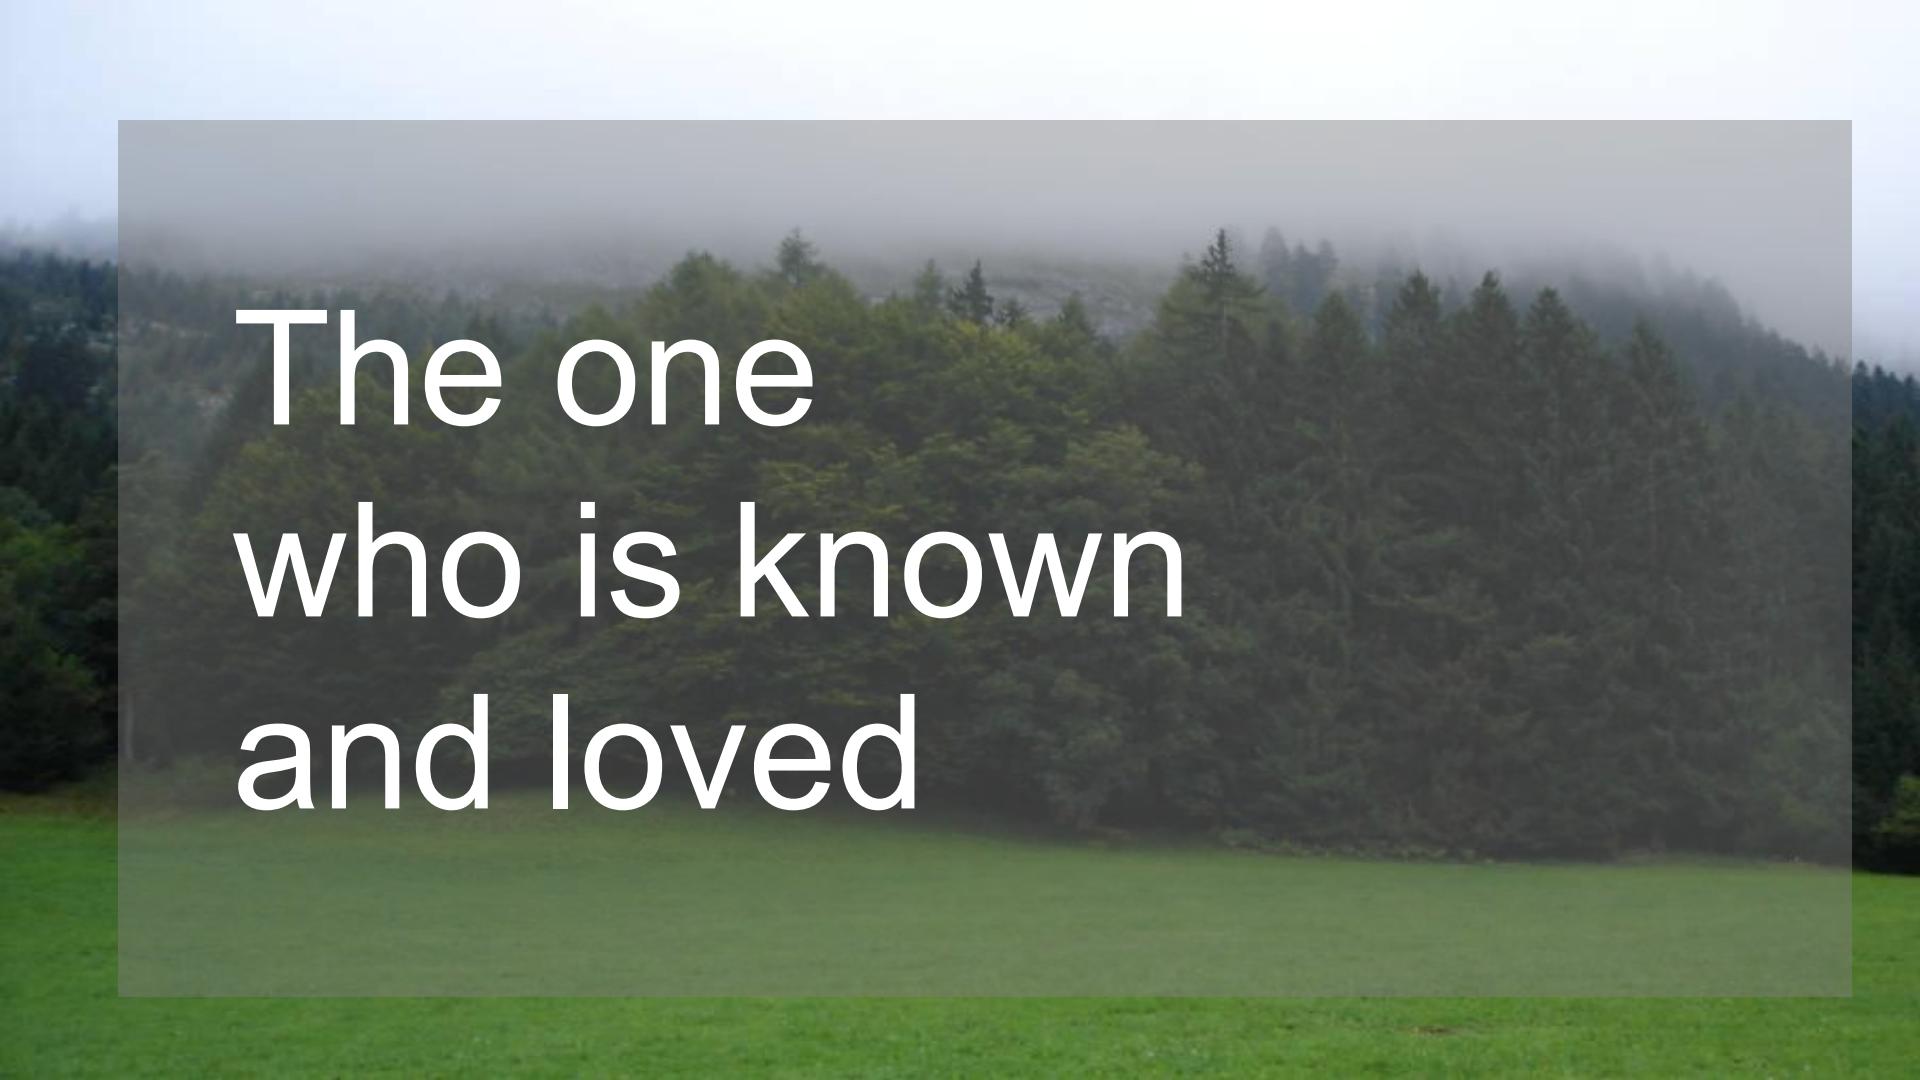

First come...

A photograph of a misty forest landscape. In the foreground, there is a bright green grassy field. Behind it, a dense forest of dark green coniferous trees covers a hillside. The sky above is a uniform, light grey, suggesting a foggy or overcast day.
